riot. 1 was fearing that no New York of little interest to most readers of news- Has Positive Knowledge There Is No German-Japanese Understanding.

## Philadelphia Despatches Misquoted Him, Hero of Verdun Asserts.

Gen. Robert Georges Nivelle, French soldier and hero of Verdun, in an ad-Commerce of the Stat. of New York the United States an Irish republic.

Should some of us hesitate to welcome such a blessing, I fear the Stars and of Denver and Leadville.

Leave and Rio Grande agreed to shun was borne out in his d nial by Col. Raymond Sheldon, assistant chief of staff of the Department of the East, who

fidence of the Japanese Government, know that there is no foundation for the Col. Sheldon said that nothing which

Gen. Nivelle said in Fhiladelphia might be construed to mean what was attrib-uted to him in the Philadelphia des-patches. Col. Sheldon said that since his assignment as aid to Gen. Nivelle

motives of the railway miracle of the age. In 1872 a traveller wrote that the age. In 1872 a traveller wrote that age. In 1872 a traveller wrote that age. In 1872 a traveller wrote that the conomic situation in France which, the said, were not generally understood in this country.

The first passenger engine of the Denver and Rio Grande was the Montezuma. To this day it refreshes me to recall the names of the locomotives of the line in 1881, so vividly they bring up the mountains, streams and towns of that fastians, at read and towns of the line in the conomic situation in France which, the said, were not generally understood in this country.

"I would like to give you." he said, "information which I have received recently from M. Millerand, former Prement of France. France was the greatest sufferer from the war. The richest territory had 4.487 000 inhabitants, or 10 12 M. ...48 1000 inhabitants, or 10 12 M. ...49 10

hills, and when the upheaved rock, which seemed to fill the sky, descended it smashed nearly every roof in the principal street of homes.

The Scenic Line of the World is well adding that France naturally depends
